

Overview of Hazard Incidences in August 2022

In August 2022, 13 hazards occurred across Bangladesh, including **Covid-19, Fire, Boat-Capsize, Heat-wave, Dengue, Lightning, Bridge Collapse, Sea High Tide, Waterlogging, Wild Animal Attack, and Embankment Collapse**. The most devastating of which was Covid 19, which affected a total of 6,689 people across the country in a single month. According to the national report published in August 2022, 33 people died and 14,073 people were rescued from the rubble. According to the NDRCC, a total of 584 fire incidents occurred throughout the country, resulting in the deaths of 22 people and the injuries of 16 others. Riverbank Erosion has increased in comparison to the previous month. It took place on several dates, in nine different neighborhoods. People did not starve to death, but their homes were destroyed. In August, waterlogging occurred and many villages go underwater. It was reported that there were three heat wave incidents this month, and the highest temperature was recorded at 37.8 degrees Celsius on the 19th of August in Mymensingh, with Rajshahi, Rangpur, and Khulna divisions. A mild heat wave has been in Gopalganj and Manikganj districts along with Rajshahi, Rangpur, Mymensingh, and Khulna from the 15th to the 19th of August. As a result of the extreme heat of the summer, Dengue fever has a noticeable impact on August as well. In August, 22, 3492 confirmed cases were identified, with the majority of patients housed in Dhaka and 212 death cases held in Dhaka.

Description of Hazard Incidents in August 2022

Boat Capsize

When compared to the previous month, the number of boat capsizes has increased this month. The capsizes of four vessels took place in **10** distinct districts. There were two accidents in Cox's Bazar (Moheshkhali) on August 13th, 20th, 21st, and 28th but most of the fishermen were able to be saved and just 5 men died. On the 9th, 19th, and 20th of August, three accidents occurred in Noakhali, and on the 19th of August, two separate accidents occurred in Patuakhali, resulting in the missing of 16 individuals in total. For more details, **annex 6**:

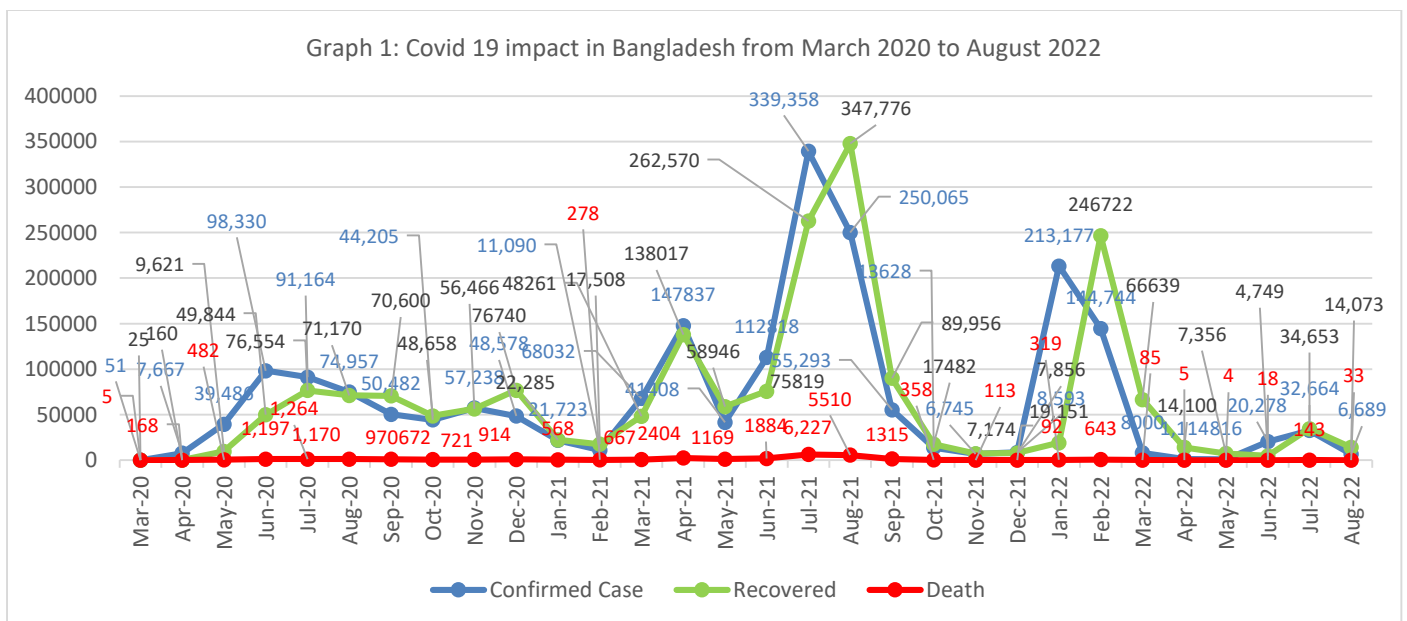

Bridge Collapse

Four bridge collapse happened in 3 different districts which cause many problems like traffic being stopped for two days, Road separated from the city, and Local people suffering.

Date	Division	District	Upazila	Impacts	Sources
16- August 22	Chattogram	Chandpur	Matlab South	Traffic was stopped for two days	prothomalo.com 16-August 22
