

## Overview of Flood, June 2018

Rise of water levels in all rivers in the northeastern part of the country due to heavy rainfalls started from June 12, 2018 as well as water flow from the upstream hills have led to the inundation of low-lying areas of 14 upazilas under Moulvibazar and Sylhet districts. It has created a situation of disruption in normal lives of the people.

According to Flood Forecasting and Warning Centre (FFWC) as on June 20, 2018, of the 94 stations under monitoring, water levels at 42 stations have been increasing while water levels at 46 stations were decreasing. Also, irrespective of whether rising or falling, at 7 points, rivers have been running above the danger level (table- 1). Flood situation in Maulvibazar and Sylhet is getting better.

#	Name of Station	Name of River	Rise(+)/Fall(-) (cm) during last 24 hours	Above Danger Level (cm)
1	Kanighat	Surma	-16	+105
2	Sylhet	Surma	-14	+27
3	Amalshid	Kushiara	-42	+99
4	Sheola	Kushiara	-15	+76
5	Sherpur-Sylhet	Kushiara	-4	+31
6	Moulvibazar	Manu	-42	0
7	Derai	Surma	+3	+34

## GoB Response in Flood as of June 20, 2018

Government of Bangladesh has responded to the flood affected districts immediately to save lives and properties of mass and maintain the law and order situation of the affected areas by deploying extra police and 4 platoons of BGB. GoB has also arranged 74 medical teams to serve the affected people. The government has allocated GR cash and rice and distributing them including dry food where needed through MoDMR. Moreover, **Mr.**

**Mofazzal Hossain Chowdhury (Maya) Bir Bikram, MP**, honorable Minister, MoDMR; and **Md. Shah Kamal**, Secretary, MoDMR visited the flood affected areas of Moulvibazar. The honorable Minister has announced to allocate 500 MT rice, 1,000 bundles tins along with 3,000,000 tk., 1,000,000 tk. cash, and 2,000 packets dry foods for Moulvibazar district.

District	Allocated GR Cash (BDT)	Allocated GR Rice (MT)
Moulvibazar	19,77,000	1411
Sylhet	370,000	251
