GOB Responses in Fire

Ministry of Disaster Management and Relief have declared to give 155.32 metric ton GR rice including 10 metric ton rice in first phase and 145.32 metric ton rice in the second phase for the fire affected people at Mirpur on 12th March.

GOB Responses in Nor'wester, Hailstorm and Tornado

Ministry of Disaster Management and Relief have declared to give 20,000 taka for died man family, 5,000 taka for wounded person and 2,000 taka and 20 kg rice for the nor'wester, hailstorm and tornado affected people at Pabna on 30th March.

Conclusion

Disaster frequency was comparatively high in the month of March than previous month. Among 11 incidents, fire was the most devastating incident in the month of March. 25 days in this month have been reported of fire which caused a large amount of losses. Along with fire, building collapse, aircraft crash, lightening, wild dog attack, boat capsized, embankment collapse, nor'wester, tornado, hailstorm and heavy rainfall were occurred in March that took 94 lives along with 277 injuries. Amongst these incidents, fire, nor'wester, hailstorm and tornado were responded by the Government, but it could not mobilize enough resources to deal with them adequately.
