## Description of Hazard Incidents in March 2020

### Covid-19 Pandemic in Bangladesh

The worldwide pandemic Covid-19 has become talk of the time worldwide and Bangladesh is no longer away from its ferocious effects. Up to March 31, 2020, the total number of identified Covid-19 cases is 51 persons among which 5 persons died. According to IEDCR, the chance of spreading Covid-19 is now at community level

which may lead to highly increase this number very fast. Also, the death toll may also rise if not diagnosed and treated immediately. The rising tendency in the number of infected patients may lead to a huge public health hazard in coming days. According to honorable Prime Minister of Bangladesh, H. E. Sheikh Hasina, the most crucial time for Covid-19 transmission is the month of April, 2020 and most of the people may get affected if they do not properly maintain the directions given by the government; specially, staying at home.

March 27	Narayanganj	Narayanganj Sadar	• 2 persons killed & 3 persons injured	<a href="https://www.prothomalo.com">https://www.prothomalo.com</a> , March 31, 2020
<b>Total</b>	6 persons killed & 13 persons injured			

## **GoB Response in March 2020**

**Response to boat capsized:** BDT 20,000 has been given to each killed person's family by the Rajshahi district administration on March 07, 2020.

**Response to Covid-19:** In the mid of March, 2020 GoB declared to close all the educational institutions to prevent spreading of Covid-19 country-wide. Also, Higher Secondary School Certificate (HSC) examination was cancelled which was to be held from April 01, 2020. After first death of Covid-19 affected patient on March 18, 2020, GoB declared general holiday across the country from March 26, 2020 to April 04, 2020. Also, the transportation system including roads, railway, water transportation, national and international flights. Institute of Epidemiology, Disease Control and Research (IEDCR) has undertaken necessary steps to test Covid-19 suspected patients and the treatment providers were provided with Personal Protection Equipment (PPE). More test kits and PPE are being arranged by GoB as soon as possible. Also, IEDCR is arranging to test Covid-19 in regional areas to find out more patients shortly. People (especially poor and ultra-poor) who are in need of foods, GoB arranged to provide foods at their doorsteps by the local administrations.

## Conclusion

A total of six hazards took place in this month with several incidents across the country. These incidents caused a huge loss of lives and properties and disrupted daily activities of people. GoB took initiatives to minimize the losses and also undertook necessary actions to provide support to the distressed people.
